AFCC CALIFORNIA CHAPTER

Association of Family and Conciliation Courts (AFCC) is the preeminent, international, interdisciplinary family law organization. Family law judicial officers, attorneys, mediators, and mental health professionals (both court-connected and those in private practice, including custody evaluators, parenting plan coordinators, and therapists) work together on innovative approaches to custody conflicts.

AFCC’s educational programs provide cross-professional communication and training, and encourage the development of interdisciplinary collaboration for the benefit of families and children in the justice system. There are approximately 4,000 members in 27 countries worldwide and 584 active members in California, 481 of whom are chapter members.

Go to afccnet.org to join AFCC and be sure to include joining the AFCC-California Chapter.
